Mauro Alós
Full Stack Developer

mauroalos@hotmail.com   Cellphone: +54 9 2615110030   Mendoza, Mendoza - Argentina.
LinkedIn   Github   Portfolio

Full Stack Developer with a background in Web Design. Experienced in working with technologies such as NodeJS, React, Redux, SQL, and others within the industry. Currently involved in the development of the official "Xumek" website, which narrates the organization's history. Administrative users and writers upload fully edited articles directly on the site, keeping the public informed about human rights violations and the ongoing efforts to protect and uphold them.

TECNOLOGIES

HTML, CSS, Javascript, React, Redux, Node.js, Express, Postgres, Sequelize, Figma, Scrum, Adobe Photoshop, Adobe Premiere.
